On Friday November 5th, 2010 the Daisy Mountain Fire Department teamed up with CPR Across America, The Boulder Creek High School and The Anthem Community Center to bring the latest in CPR Techniques to the community. By the end of the day 1700 students and residents of the Daisy Mountain Fire District and surrounding communities had been trained. If you missed the event Daisy Mountain does offer a no cost CCC/CPR Class monthly. Please email Engineer Barrett Littell @ barrett.littell@daisymountainfire.org for a class schedule or visit www.daisymountainfire.org.... [More](#)
